

STILLWATER COUNTY PUBLIC HEALTH

PUBLIC NOTICE

Stillwater County Public Health Officials

**August 7, 2020 – Stillwater County, Montana.** As of 1:00 pm, Stillwater County has 5 active cases of COVID19. Due to this number, effective immediately Stillwater County is under Governor Bullocks mask directive dated July 15, 2020. The Governor's directive requires mask use in public spaces where there are 4 or more active cases of COVID19.

Please remember that data from the Montana State website regarding case counts and active cases is updated only on a daily basis and may not reflect accurate information.

Stay home when you are sick, wash your hands, continue to practice social distancing, and wear your mask to help prevent the spread and growth of this virus.
